

# Model : HD-UTP

## Single Channel HD Passive Transceiver

### Key Features

- ▶ Compatible with AHD/CVI/TVI/CVBS signals
- ▶ Transmission signal : 720p/1080p
- ▶ Built in surge & transient protection
- ▶ Super interference rejection

### Technical Specification

Transmission Distance	AHD/CVI/CVBS @ 200m TVI @ 150m
Twisted-pair Video Connector	Push Terminal
Anti-interference	>60dB
Protection ESD	1a contact discharge electricity level 3 1b air discharge electricity level 3 PerIEC61000-4-2
Protection Coaxial Cable Connector	2KV (Common-code) PerIEC1000-4-5
Protection UTP Cable Connector	2KV (Different-code), 4KV (Common-code), PerIEC1000-4-5
BNC male Impedance	75 Ohms
UTP cable Impedance	100 Ohms
Dimension (LxWxH)	13.7 x 11.6 x 3mm
Weights	60g
